EGYPT PROTESTS to the League of Nations against England's stand in the recent Black killing, ordering Egyptians to pay \$2,500,000 and get out of the Sudan without any hearing. The League of Nations "lays aside" Egypt's protest, some nations in the league, a little one, sympathizing with Egypt, might demand a hearing for the Egyptians. But that would displease England, and her empire is powerful. No little nation will peep. League or no league, power, as of yore, is with the big nation.

SUPPOSE WE WERE in the league and some of our sweet sentimentalists, too old to go to war, demanded United States intervention in Egypt's interest. How easily we might have Europe on our hands.

ARE WE NOT our brothers' keepers? Sure, but we are our AMERICAN brothers' keepers; the Monroe Doctrine proves that. We are NOT the keepers of our Egyptian, Chinese, or Soudanese brother, and don't intend to have that brotherhood whined upon us. If that be humanitarianism, make the most of it.

GEORGE BERNARD SHAW declares that in the Egyptian matter England has given a death blow to the League of Nations. "That's as may be," the Egyptian affair should enlighten some dull Americans as to the real character of the league and give the death blow, if it has not been already given, to any scheme for forcing this country into that league.

WHO, BUT a dull-witted, sloppy, ill-informed sentimentalist would have this country enter a league of scheming, selfish nations that would use this country to make themselves and their aggression secure? They did that once when our idiot "statesmen" agreed to guarantee stolen property in the Pacific, to destroy our battleships and to weaken this nation by leaving Guam unfortified. That mass of idiocy ought to be enough for one century.

FORTUNATELY for this country's security, President Coolidge lives in this period, not at the Spanish war. His mind is on modern methods, and he does not belong to the various interests that have controlled the navy and still control a good part of it.

In his own unhurried way, he will see to it that the United States does not lack preparation with him as commander-in-chief of the army and navy.

Naval and army officers must deliver and intelligently interested in an adequate air force declare that President Coolidge is as much interested as they are and listens carefully and patiently to all suggestions for air fleet protection.

LAWUIT raising interesting questions is coming. A young man named Rhinebold, whose people for several generations have not worked for a living and are, therefore, called "aristocrats," married a young woman with negro blood. Her people have always worked hard; therefore, she is no aristocrat.

It was a terrible blow to the New York aristocratic family, but the blow is to be softened. The young man, annoyed by publicity and by the Ra Xlax throwing stones through his window, now uses for assumption of his marriage, saying he has been deceived as to his bride's race. She told him nothing about the negro blood.

IF MONEY, wisely used, does not perform its usual function, and if the young woman in the case figures, the question of her Constitutional rights has been taken to the United States Supreme Court. New York State lawless marriages between Africans and whites. The young woman in this case is white. What the Supreme Court say about a race of colored blood?

Stolen Goods Found After a Wild Pursuit of Auto Truck in Watertown and Brighton

Sergeant McLoud and Officer Shevin of the Metropolitan District police, were looking an automobile for running without lights on Charles River road, Watertown, early today.

An automobile truck containing two young men approached at a 40-mile pace, and the policemen stepped into the road and motioned for it to stop. Instead the driver swung the wheel over and the heavy machine swooped down on the two officers, who leaped to safety. They then jumped into their police car and gave chase, firing a shot every now and then in an attempt to halt the two youths.

The truck, traveling at nearly 50 miles an hour, careened around curves, but held the road. At Arsenal street the police machine drew ahead and again the officers signaled the driver to stop. Again he swung his wheel and the truck darted toward the police car which pulled up.

The chase led across the bridge to Western avenue, Brighton, to North Harvard street, to Cambridge street to Lincoln and Market streets and to Washington street, where the truck was seized into an embankment, and the two youths fled. The police pursued through back Continued on Page 2, Column 8.

LA FOLLETTE READ OUT OF PARTY

Republican Senators Also Ban Frazier, Brookhart and Ladd

Washington, Nov. 28.—Senator Robert M. La Follette of Wisconsin, and three of his principal supporters in the Senate practically were read out of the Republican party today at a conference of Senate Republicans.

Three-two of the fifty-one Republicans of the Senate attended the conference, presided by La Follette of Wisconsin, Brookhart of Iowa, Frazier of North Dakota, and Norris of Nebraska were absent. Two of the three new senators were present. They were William M. Butler of Massachusetts, appointed by Governor Cull of the state made to vote for the Senate of Iowa, and James H. McLaughlin of Illinois, elected to fill the unexpired term of the late Senator Cull.

The conference adopted a resolution, under which Senator La Follette, Senator Ladd and Frazier of North Dakota, and Brookhart of Iowa will no longer be given Republican status as Senate committee members to attend future party conferences.

Good resolution follows: Resolved, that it be the sense of the conference that Senators La Follette, Ladd, Brookhart, and Frazier be not invited to future conferences and be not named in any Republican campaign or party committee.

Senator Ladd was the only one of the four senators named in the resolution present at the conference. Senator La Follette, who was an important candidate for the Presidency, presided at his home.

The resolution will not disturb present committee assignments. Republican leaders said, but will serve as an expression of the view of the party as to the conduct of the four senators in committee, when the question of future vacancies comes up.

Approximate 1000 votes were taken in each section of the resolution, and the majority was overwhelming in each case, with only one or two votes missed in opposition. There was no speech in opposition, but Senator Harrell, Oklahoma, suggested certain modifications which were not adopted.

Passing Motorists Drag Victims From Wreckage; One Woman Is Unidentified

Lowell, Nov. 28.—Sartie Hopper Lightman, one of Lowell's leading practitioners and bride of Dr. Percy Lightman, Lowell dentist, was killed and ten persons were injured, when two automobiles were telescoped in a head-on crash on the Lowell-Lawrence boulevard early today.

A heavy touring car carrying seven men, returning to Lawrence after attending a prize fight in Lowell, swerved and crashed into the Lightman coupe at a slight curve in the boulevard near the old car barn on the outskirts of Lowell.

The cars were reduced to a wreckage of twisted steel in which the seven occupants, including an unidentified woman, were buried.

DIES AT HOSPITAL

Passing motorists dragged the victim from the wreckage. All were rushed to the St. John's Hospital in Lowell, with the exception of Dr. Percy Lightman, who was taken to Lawrence in an automobile.

Dr. Pauline Lightman was unconscious when taken from the wreckage and died several hours later at the hospital.

Miss Maude Robinson, sister of Dr. Percy Lightman, who was in the Lightman party, was badly cut about the face and body and suffered badly bruises, but she will recover.

ONE VICTIM UNIDENTIFIED

Two of the injured, one of them the unidentified woman, are in poor condition at the Lowell Hospital.

The woman was badly cut about the face and body and suffered internal injuries. She was unconscious when taken to the hospital and the authorities were unable to learn whether she was with the Lightman party or not.

lander, Illinois, was working today on the answer to the marriage annulment suit brought by young Rhinelanders in White Plains on the grounds his wife had told him "she was white and had no colored blood."

The three main points in the answer were said to be the color of the family tree of Albert James Rhinelanders, the fact the extends back through England and India; the offering of scores of "white letters" claimed to be written by the Rhinelanders even to his father; and the fact that the family tree of the Jones social stigma was a lie.

There young Rhinelander introduced the girl as of Spanish descent and from all accounts the girl was accepted on his presentation.

It is to be said that Rhinelander fortune was not sparing in the girl he lavished upon his fiancée, a girl he had loved for years despite family interference.

CONFERENCE TO PUT LIFE IN DOWNTOWN CHURCHES

The problem of keeping active downtown churches will be discussed at a conference in the First M. E. Church, Temple street, January 17, 28. Among those expected to discuss this difficult question are: Rev. Dr. John Thompson, pastor of Chicago Methodist Temple; Rev. Dr. J. McConville, of Pittsburgh; Rev. A. F. Palmer, city missionary of Boston; and Bishop W. F. Anderson of the Methodist church in India. The speaker is expected to build in the near future a large church in the Black Sea and to centralize social work at the Tremont street church, North End.

America's Leading Importers
Save 20% to 40%

This is the house that buys and imports direct for cash. This is the house that also sells direct for cash. You know what cash buying does—particularly in eliminating losses and extra costs of doing business—which must be paid by extra profits sooner or later when you do not buy for cash.

Our buyer has just returned from our Amsterdam and Antwerp Agencies—and has brought with him over \$200,000 worth of beautiful, full cut diamonds—presenting unprecedented money saving opportunities. For example:

- 1. Pink, full cut one-half carat diamond set in 14 K white gold ring—**\$50.00**
- 2. Pink, blue-white diamond of great brilliancy with a smaller diamond on side of bezel—15 K white gold ring—**\$75.00**

- 4. All platinum ring set with blue-white diamond of great brilliancy with a smaller diamond on side of bezel—**\$200.00**
- 5. This fine, blue-white diamond of great brilliancy with a smaller diamond on side of bezel—15 K white gold ring—**\$325.00**

Following is a partial list from our latest importation. These diamonds have been mounted in various styles of gold, platinum and white gold settings. You have the privilege of keeping any of them ten days for comparison and approval and then returning for the full amount in cash if desired.

BEWARE OF Hudson Seal Coats

(DYED MUSKRAT)

Thousands of Hudson Seal skins are burnt in the dyeing each year when the pelts or leather are not strong enough to stand the acid dye. It is this class of skins which fools the buying public. And why? The fur, strange to say, remains full and perfect, while the leather or pelt weakens to a degree of ordinary wrapping paper. They are sold, like the good muskrat, for so he sells them for a few cents less than the muskrat, and the cheap Hudson Seal coats, and eventually you (The Barnum Public) pay \$120 and possibly \$130 for this class of coat.

ANOTHER EYE OPENER
 For the honest girl who can ill afford to pay out hard earned dollars only to find she is another victim.

THIS WEEK IN BOSTON
 We have 1,000 coats of the best quality Hudson Seal (Dyed Muskrat) coats that we have ever had at a price which will give you a coat that will last you for years. After the price of \$120, you can get a coat that will last you for years. The class of merchandise is never offered for sale by our concern.

WE HAVE NEVER DECEIVED A CUSTOMER, NEITHER WILL WE DECEIVE YOU.

Our Money Back Guarantee With Every Coat.
 Our Hudson Seals, Beavers, Squirrels, Raccoons, Jackrabbits, etc., compare favorably with the finest merchandise in this country. Low price, square dealings and honest merchandise is our slogan for your protection.

are the greatest clothes
value your money can buy!**

The one big object of the Bond organization is to produce the best possible clothes that can be produced at our prices.

Bond's operates on a basis unrivaled for efficiency in the production and sale of men's and boys' clothing. Four great tailor plants produce the clothes we sell direct to you—no jobber's or middleman's profits are added to your cost.

Bond's patrons receive the benefit of every penny saved by Bond's efficient methods. When Bond saves \$10 in the making and selling of a garment it means that you pay but \$25 for a garment which under less efficient methods would cost \$35.

Our profit comes from volume. We would rather make \$1,000 profit from 1,000 suits or coats than \$1,000 from 200 garments. Convincing yourself is far better than allowing anyone else to convince you so come to Bond's—you'll learn the truth of our statements.

CONCERNING VALUES

The value of anything in home furnishings is what you can buy it for at this store.

Our enormous business, coupled with our financial strength, enables us to deal in quantities that would stagger the average dealer; to buy out entire factories; to take advantage of great buying opportunities that involve fortunes; and to retail at prices lower than many stores have to pay for the same grade of merchandise at wholesale.

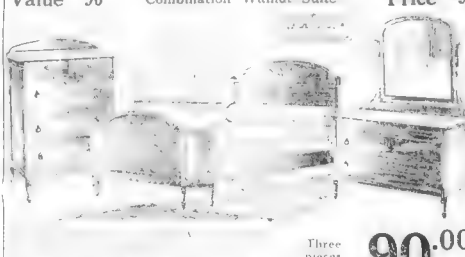

This advantage we pass along to our customers, preferring a small profit, a quick turnover, and an ever-increasing clientele.

In this way we have set the pace and ESTABLISHED FURNITURE VALUES IN NEW ENGLAND FOR MORE THAN FIFTY YEARS.

Satisfied, permanent customers, who know that they can always buy more VALUE at this store, are the bulwark of our business.

These customers do not expect us to sell at cost—or at a loss—because no business, great or small, can survive on that basis. Therefore, while you can always feel that whatever you buy at this store will bring to us a small profit, you can at the same time feel that it is paying YOU a GREATER profit, in that you are getting far more for your money, dollar for dollar, than you will find in any other Boston store. For Example:

Value \$90 Combination Walnut Suite Price \$90

Three pieces as shown 90.00

Value \$94.00 Queen Anne Suite Price \$94.00
